

**VIRGINIA MUSEUM OF FINE ARTS
EARLY CHILDHOOD GROUP VISIT**

BEFORE YOUR VISIT

- Introduce the concept of a fine arts museum. Stress that students will be looking at original works of art. Discuss how original works differ from reproductions.
- Help students understand the value of open attitudes toward art and new ideas. Share your thoughts about specific works of art and encourage them to make their own observations.
- Familiarize your chaperones with the visit topic and remind them to stay with their group at all times. **Student groups must always be accompanied by adults in the ratio of 1 adult to every 5 students.**
- Nametags help the instructor call on students directly and actively involve them in the visit.
- Call your transportation coordinator to ensure that the bus will be available to pick up your group at the appropriate times and has the correct parking information.
- Encourage student's participation by answering the instructor's questions and asking questions of their own.
- Remind students to be courteous of other visitors and guided tour groups. Ask students to keep their voices at an indoor level and stay with their group.
- Remind students not to touch works of art in the Museum.

WHEN YOU ARRIVE AT THE MUSEUM:

- Check in at the Student Group Entrance and give the total number of students and adults.

AFTER YOUR VISIT:

- **Please let us know how your students have been inspired by VMFA! Visit our tumblr page and submit images of student works at: <http://vmfaeducation.tumblr.com/>**
- Strengthen students' observational skills by discussing their favorite work of art on the way back to school or in the classroom. Encourage them to visit VMFA again with their family!

PLEASE REMEMBER:

- **One chaperone is required for every five students. Chaperones must stay with group at all times.** Remind students **not to touch** works of art, the walls, platforms, or cases in the Museum. Only with their help can the Museum preserve objects for future generations.
- **Food, beverages, gum, backpacks, water bottles, and umbrellas are not allowed in the galleries; these items should be left on the bus.** Items that are brought in must be left in the Classroom or self-check Student Coat Room. Valuable items can be left at the Coat Check near the main entrance.
